HOMEWORK HOMEWORK HOMEWORK HOMEWORK HOMEWORK

Dear Parents:

This is your child's homework for the week. Please help your child with the four activities every night. Count the numbers, identify the shapes, identify the letters, and memorize the poem that is on the bottom of the page. This schedule helps you work with your child everyday to develop their skills. Please write your initials or check each activity every night. Use the materials that are in the folder and send the parent page back on FRIDAY.

Remember this is the homework for the week!
