

Farmers Branch Star Party!

November 17th, 2009 from 6:00pm - 8:30pm
LAST FARMERS BRANCH STAR PARTY OF 2009!

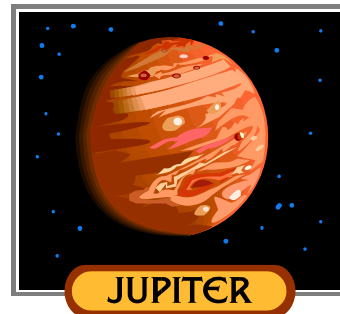

2009 is the International Year of Astronomy!

- You are invited to join the Texas Astronomical Society and the METSA Academy of R.L. Turner at the **Farmers Branch Historical Park on Tuesday November 17th 2009 from 6:00pm - 8:30 pm.** The park is located at 2540 Farmers Branch Lane, Farmers Branch, Texas 75234. The Park is just north of I635 and east of I35.

You do not need to be present the whole time, simply drop in at anytime and view through the telescopes and learn about our amazing universe.

Nighttime observations will begin at sundown. We will be **viewing Jupiter, Neptune, star clusters** and deep sky wonders. In addition, the personnel running the scopes will be more than happy to help you identify stars, constellations and learn some science!

ALL CFB students, parents and staff are invited to attend

In case of clouds or bad weather the event may be rescheduled.

For more information or questions email David Culp at culpd@cfbisd.edu.
