

PARENT RESPONSES FOR SENIOR PROFILE

We understand that your time is valuable and do not wish to burden you with more paperwork than is required to help us write a thorough recommendation for your son or daughter. Please complete the items below so I may write the best possible letter for your senior. If you do not answer all questions, please complete those that you feel will be most helpful to me. Your assistance is especially important if I do not know your child well or if he/she plans to apply to a highly competitive college or university, an honors program, or for competitive scholarships. Thanks for your assistance.

STUDENT NAME _____

Please tell me what you would like an admissions committee to know about your son/daughter regarding the following items:
